WESTCOAST Calligraphy SOCIETY

Saturday Meet Ups

A one-size-fits-all event for beginners to experienced calligraphers.

Script Happens!

Join us at our November meet up where we'll explore the rhythmic style of Hans-Joachim Burgert. Whether you're a total beginner or looking to practice your stroke work with like minded artists, this meetup is all about learning, sharing, and enjoying the art of calligraphy together. We will start by covering some basics, take time to practice and explore techniques, and will then work together to create a finished piece.
